Headline:
Sunshine and scattered showers today.

Today:
Starting off mostly dry this morning with some brightness. Cloud bubbling up from late morning onwards to give a few showers this afternoon, although coastal areas mainly dry. Still rather chilly. Maximum temperature 12 deg C (54 deg F).

Tonight:
Showers dying away this evening, some evening brightness. The rest of the night will be largely dry with clear periods. Slight frost where skies remain clear. Minimum temperature 2 deg C (36 deg F).

Sunday:
A dry, bright start. Then turning cloudier with scattered showers developing from late morning, these lingering into the afternoon. Drier by evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Monday to Wednesday:
Dry start on Monday before widespread rain spreads east, turning drier later in the day. Rather cold and breezy on Tuesday with showery rain, drier on Wednesday.
